## SUBCONTRACTORS

Just as Gallant is committed to partnering with our customers, we're equally committed to partnering with the professionals who, in many respects, make us who we are—our subcontractors.

We consider each subcontractor we work with to be an important and valuable part of our team. A successful project for our subcontracting partners is a successful project for us, and we are always looking for professional, team-oriented, quality- and safety-minded subcontractors to help build on our prosperity.
